Benidorm is famous for its beautiful golden beaches, with a total length of up to 5 kilometers in the town. Levante and La Poniente beaches, in particular, are considered some of the most stunning on the entire Costa Blanca. Levante beach is recommended for those who seek not only relaxation by the sea but also a variety of entertainment options. Along the beach, there is a promenade where you can find restaurants and bars. Benidorm is an excellent destination for family vacations, thanks to its amusement parks. In addition to Aqualandia, a water park with imaginative slides, Terra Mitica is also a popular attraction. This park creatively combines educational and entertainment elements in a fantastic way.
