The Neighbourhood

The beautiful tourist town of Altea is located in the Marina Baja region, on the Mediterranean coast of the Altea Bay, south of Calpe and north of Alfaz del Pi. The long mountain range of Sierra Bernia separates Calpe from Altea.

The town is the official cultural capital of Valencia. It is very peaceful and cozy. Altea has always attracted bright and creative people, and in the mid-20th century, there was a whole colony of artists, authors, and musicians who transformed the town into an artistic hub. Additionally, there are many art galleries and craft workshops showcasing ceramics and jewelry.
