The apartment is on the 8th floor which allows stunning panoramic view over the sea and the city. It has a very spacious balcony from where you can enjoy your breakfast. An amazing opened and modern kitchen, two bathrooms and a private garage. The location is so great that everything that you might need is only a stone's throw away (shops, restaurants, transport, amenities, beach, etc). The community counts 3 swimming pools for every age with some beautiful waterfalls, plenty of sunbathing space to sunbath or for children to play around while you are swimming.
