The Neighbourhood

Benidorm is famous for its beautiful golden beaches, with a total length of 5 kilometers in the town. Particularly worth mentioning are Levante and La Poniente, which are considered one of the most beautiful on the entire Costa Blanca. Levante is recommended for those who not only expect a relaxing beach holiday but also many entertainment options. Along the beach, there is a seaside promenade with restaurants and bars. Family holidays in Benidorm are favored by the local amusement parks. In addition to Aqualandia - an aqua park with fancy water slides, Terra Mitica is also a popular attraction. It is a park that combines educational and entertainment goals in a fantastic way.
